

# DAF Microreactor Pilot Town Hall

Presented by the Department of the Air Force

---

## Featuring Panelists:

**Ms. Nancy Balkus**, Deputy Assistant Secretary of the Air Force for  
Infrastructure, Energy, & Environment

**Colonel Matthew Johnston**, Commander, Eielson Air Force Base

**Dr. Jess Gehin**, Associate Laboratory Director, Idaho National Laboratory  
Nuclear Regulatory Commission  
Oklo Inc.

**August 27, 2025**

**5:00 – 6:30 PM AKDT**

**Location:** 8 Star Events Center, Room 103  
485 30th Ave, Fairbanks, AK

The session will provide an update on the project's next milestones, highlight the anticipated benefits of advanced energy technology, and outline how the Department and its partners will continue to engage the community throughout the project's development. Attendees will have the opportunity to ask questions and hear directly from the pilot's representatives.
