

**DEPARTMENT OF THE AIR FORCE**  
**354TH FIGHTER WING**

MEMORANDUM FOR ALL TRANSIENT & EXERCISE PERSONNEL

FROM: 354 FW/CC

SUBJECT: HPCON Procedures for Transient & Exercise Personnel, Version 10

1. **For the duration of your stay**, personnel will follow applicable state travel mandates and Eielson AFB COVID-19 guidance. Non-fully vaccinated personnel will also wear masks in the company of others and maintain at least six feet of distancing to the maximum extent practicable. If directed into **Medical Isolation or Medical Quarantine** by the 354 MDG, remain in your lodging/dorm room at all times. You may only exit your lodging/dorm room to receive necessary medical care. **In addition**, transient personnel and aircrew are subject to the following ROM procedures:

**Fully Vaccinated Personnel**

- **Fully vaccinated personnel** (2 weeks after the second dose of a two-shot series or 2 weeks after one dose in a single-shot series) who possess proof of immunization are not required to ROM upon arrival in Alaska. Fully vaccinated personnel are no longer required to wear masks except when entering the 354th Medical Group and other specified facilities.
- Domestic travelers who are fully vaccinated should take a COVID-19 test upon arrival in Alaska or no earlier than 72 hours before departing for Alaska.
- International travelers should reference *DoD Force Health Protection Guidance Supplements 18 (dated 17 Mar 21) and 20 (dated 12 Apr 21)* for additional COVID-19 testing guidance.

**Non-Fully Vaccinated Personnel**

- Personnel **who are not fully vaccinated** and have returned from out-of-state domestic or international travel will enter a 10-day ROM.
- Personnel may enter on-base public facilities (e.g., BX, Food Court, Gym, etc.) if wearing a mask and maintaining six feet of physical distancing.
- Personnel may use on-base delivery, drive-through, and curbside pickup services.
- Personnel are prohibited from dining-in at restaurants (on or off base).
- Personnel traveling off the installation will comply with Alaska State health mandates.
- Personnel may engage in on or off-base outdoor activities.
- **Commanders may adjust ROM procedures based on mission requirements, test results, exposure risk during travel, and ability to maintain social distancing.**

2. **After completing a 10-day ROM**, non-fully vaccinated personnel who have not developed any signs or symptoms of COVID-19 are authorized to operate under current Eielson AFB COVID-19 guidance. Personnel will follow applicable guidance issued by the State of Alaska for non-residents.

3. Military personnel may face disciplinary action for failure to comply with these instructions.
