Complaints Resolution

The IG complaints program is here to help you. You have the right to communicate with us at anytime. Also consider giving your unit or squadron a chance to address your concerns, since they can often resolve them quickly at their level.

- Complaints are dealt with fairly, quickly, and confidentially
- Your identity is protected when requested
- No one can take or threaten to take an unfavorable personnel action or withhold a favorable personnel action for talking to the IG

Fraud, Waste, and Abuse (FWA)

- **Elements:** Prevention/detection of FWA
- **Goals:** Prevent FWA, detect and prosecute FWA practices (to protect the loss of resources)
- **Role:** USAF's focal point for preventing FWA
- **Involves:** The success of the program lies with each individual within the Air Force

Individuals reporting FWA disclosures should make every possible effort to provide factual, unbiased, and specific information which can help expedite investigation, if one is required.
